

Prayers for Graduates is a part of the Prayer Ministry at Christ UMC. We recognize that the first year away from home can be exciting as well as challenging for students. A prayer volunteer agrees to pray daily for each student during the 2011-2012 school year. If you would like to participate in this ministry, simply fill out the form below and return it to Rhonda Berry by May 31, 2011. The information and a photo will be given to your prayer volunteer. Prayers for participating students will begin in June.
